RE: The Cove at Lake Hall – Type “B” Site and Development Plan

Dear Mr. Shanks:

Attached for your records and to utilize for subsequent permitting is a signed copy of the Type “B” Site and Development Plan for The Cove at Lake Hall that was approved by the County’s Development Review Committee on July 6, 2005. Leon County environmental permit approval is required prior to initiation of construction of the subdivision’s required infrastructure. By copy of this letter we are providing a copy of the project’s approved site and development plan to members of the County’s Staff Technical and Development Review Committees in order for them to update their files accordingly.

Please contact this office if you have questions regarding this project or require assistance concerning proposed land use or current planning issues in the unincorporated County.

Sincerely,

DAVID R. MCDEVITT
